(*j*) he is a Government servant, unless he has obtained the permission of the Collector of the district for standing as a candidate for election.

18. Nominations of candidates for election must be presented in accordance with the notice issued under rule 16, and shall be in Form A given in Schedule II to these rules. Every nomination must be accompanied by a declaration signed by the nominee expressing his willingness to stand for election and must be signed by at least two persons qualified to vote at the election, and presented by at least one of them in person in the Municipal office, but no such person may nominate more than one candidate for such vacancy. If no nominations are received within the prescribed date, the vacancy or vacancies shall be filled by Government.

19. Eighteen days before the election is held, the Chairman shall publish a list of such nominations as appear to him to be valid in accordance with the preceding rules. Such list shall be in Form B, Schedule II, and shall be published together with a notice specifying the date within which and the manner in which objection thereto may be made by persons qualified to vote at the election in the same way as the notice mentioned in rule 16.

20 (i) The Chairman shall attend at the Municipal office on the third day (provided the same be not a Sunday or a gazetted holiday) after the day upon which the list of candidates nominated has been published in order to hear any objections which may be made to that list and shall briefly record them in writing.

(ii) Such objections may be made only on the following grounds, namely :—

(*a*) that a candidate was not qualified under rule 17, or

(*b*) that a nomination, which is really valid, was omitted from the list published under rule 19.

(iii) The Chairman shall give his decision in writing on all objections other than those relating to rule 17, clause (*f*), which he shall at once submit to Government for orders.

(iv) The Chairman's decision shall be final, unless, within four days of the date of the decision, a petition for revision be put in before the Collector of the district. In such case the Collector's decision shall be final. The Collector may refer such petition to the Divisional officer for enquiry and report.

(v) In case the objection is allowed, the decision of the Chairman or of the Collector, or of Government, as the case may be, shall be communicated to the candidate affected thereby.

(vi) If a decision is, for any reason, not passed in time to permit of the inclusion of the candidate's name in the schedule of valid nominations referred to in rule 21, the election shall be postponed for such period as the Collector may direct. The formalities prescribed by rules 16 and 18 to 20 must, however, be gone through *de novo*, in the event of postponement of the date of election.

21. Three days before the election, the Chairman shall prepare a schedule of valid nominations of candidates for election, and shall publish the same by affixing one copy at the Municipal office, and, in the case of ward elections, another copy in a conspicuous position in the ward.

22. (i) If the number of valid nominations exceeds the number of vacancies, a poll shall be taken on the day of the election in the manner hereinafter provided.

(ii) If the number of valid nominations is the same as, or less than, the number of vacancies, the person or persons nominated shall be deemed to have been elected and the Chairman shall, without delay, report the name of such person or persons to the Collector of the district, who will forward the same to Government for publication in the *Fort St. George Gazette*.

(iii) Any vacancy for which there is no valid nomination may be filled by Government by nomination.

23. Any candidate, whose name is included in the list of valid nominations published under rule 21, may withdraw at any time before mid-day of the day previous to that fixed for the poll by a written and signed paper which shall be presented to the Chairman. In such case, rule 22 shall apply as regards the remaining nominations. The Chairman shall remove such candidate's name from the list of candidates in recording the result of the election under rule 30. No candidate, who has withdrawn his candidature, may subsequently cancel his withdrawal and stand as a candidate at the same election.

24. (i) In the case of a poll at an election, the Chairman shall appoint two members of the Council—one to be identifying officer and the other to be polling officer—at the time of election; but in the case of ward elections the person appointed as the polling officer shall be neither a councillor for the ward of which the poll is to be taken nor a registered voter in it. Provided that, if no members of the Council are willing to act, the Chairman may appoint any two fit and proper persons, not being servants of the Municipal Council, to act, and in such cases a fee of Rs. 5 *per diem* shall be paid to each of these persons.

(ii) At the time of polling, voters must present themselves at the polling station and the identifying officer shall remain outside the booth and after identifying the electors send into the polling booth, one by one, those of them who are satisfactorily identified with a ticket inscribed with their name and number to be delivered to the polling officer who shall record their votes.

(iii) The polling officer is also responsible for seeing that except in the case referred to in rule 27 as regards the votes of persons incapacitated by blindness, none but electors are admitted to the polling booth, that the votes are recorded with absolute secrecy, that no person records more votes than he is entitled to, and that persons who have recorded their votes leave the booth immediately.

25. The votes shall be given by ballot. No candidate shall be allowed to vote at the election for which he is a candidate.

26. The mode of balloting shall be as follows:—

Each elector shall be supplied with an envelope at the polling office, on the face of which the number of vacancies to be filled and the names of the candidates for election whose nominations have been included in the nomination schedule under rule 21 shall be printed or legibly written, but the name of any candidate who may have subsequently withdrawn his candidature should be scored out by the Chairman or by the polling officer under his orders. The elector shall write his name and number inside the envelope and hand it over to the polling officer, who shall, after seeing that the name and number of the elector are legibly entered, close the envelope, seal it or sign across the flap and give it to the elector. In the case of illiterate electors and of electors who are incapacitated by blindness, the polling officer shall enter their name and number inside the envelope.

27. The elector shall then go into a private cubicle, which should be provided within the polling booth, score out the name or names of the candidates for whom he does not vote, retaining the name or names of the candidates, not exceeding the number of persons to be elected, for whom he votes, and himself put the envelope into the ballot box, which should be kept within the view of the polling officer, in such a manner that the latter may not see for whom he has voted. The polling officer should see that every elector, to whom a voting envelope has been issued by him, personally deposits the same in the ballot box. The ballot box shall be so constructed that the ballot paper can be introduced but not extracted without the box being unlocked, and it shall be securely sealed and certified by the Chairman of the Council in writing to be empty before being entrusted to the polling officer to whom the Chairman shall hand it over personally at the polling office on the day of election. The polling officer, on the application of any voter who is incapacitated by blindness from voting in the manner prescribed by this rule, shall, in the presence of the agents of the candidates, cause the vote of such voter to be marked on the ballot paper in the manner directed by such voter, and the ballot paper to be placed in the ballot box, and the name and number on the register of voters of every voter whose vote is marked in pursuance of this rule, and the reason why it is so marked, shall be entered on a list to be maintained by the polling officer.

28. Any ballot paper which is not sealed or signed in the way required by rule 26, or on which the names of more candidates are returned than there are persons to be elected, shall be invalid.

29. At the close of the poll, the polling officer, in the presence of such of the candidates or their agents as may be present, shall sign the certificate (Form C, Schedule II), and shall securely seal and personally deliver the ballot box to the Chairman of the Council at the Municipal office.

30. On receipt of the ballot box from the polling officer, the Chairman shall, in the presence of two councillors, who in the case of ward elections shall be either nominated councillors or members for some other ward than that in which the election has been held, open the ballot box and count the votes, and shall record the result under his signature, witnessed by the signatures of the two councillors present. The ballot papers shall then be forwarded to the Collector of the district in a sealed cover enclosed in an envelope addressed to him, and shall not be opened except in his presence or under his orders by the Divisional Officer conducting the enquiry under rule 35 (i). These papers may be destroyed six months after the date of the election, provided the enquiry (if any) into the validity of the election has by that time been concluded, and final orders passed.

31. The total of the votes in favour of a candidate shall determine his election, proceeding from the maximum downwards, for as many places as there are vacancies. A candidate who has been duly elected may submit his withdrawal in writing to the Chairman at any time before his appointment is gazetted under rule 38. In such cases, the candidate who has obtained the next highest number of votes shall, subject to the provisions of rules 32 and 33, be deemed to have been elected unless the Government shall direct that a fresh election shall be held. No candidate who has submitted his withdrawal may subsequently cancel it.

32. In cases where there may have been an equality of votes for any two or more candidates, the Chairman shall cast lots for the purpose of deciding which of such candidates shall fill the vacancy.

33. (i) If a person be elected for more than one ward, he shall choose, within one week of the election, the ward for which he will sit as member, and in default of such decision, the Collector of the District shall forthwith declare for which ward such person shall sit.

(ii) In the other ward, or in each of the other wards as the case may be, the person who has obtained the next largest number of votes shall be deemed to have been elected.

34. The validity of any election may be questioned by a petition put in before the Collector of the District by any candidate at such election, or by not less than ten persons who have voted at such election. The petition must be presented within fifteen days after the day on which the election was held. But the Governor in Council or the Collector may himself take action on any facts affecting the validity of an election which may come to his notice either within or after the expiry of this period. The Collector may, at his discretion, require objectors to deposit a sum of not more than Rs. 50, which will be subject to forfeit if he finds that the petition was made without satisfactory reasons or was frivolous or vexatious.

35. (i) In investigating the validity of an election, the Collector shall either hold an enquiry himself or shall direct the Divisional Officer in charge of the division, in which the municipality is situated, to do so. Notice of such enquiry should be duly given to the parties concerned.

(ii) The validity of an election may be questioned only on one or more of the following grounds, namely:—

(a) that the result of the election was materially affected by irregularities which occurred while carrying out the formalities prescribed by rules 16 and 18 to 30;
(b) that the person whose election is questioned was, at the time the election was held, not qualified as a candidate under rule 17;
(c) that fraud, intimidation, or bribery was practised at such election, and materially affected the result of such election;
(d) that the person whose election is questioned was not elected by a majority of votes.

36. Any petition questioning the validity of an election under ground (a) in rule 35 shall, if it involves inquiry into any action taken by the Collector under these rules, be referred by the Collector for the decision of Government. In all other cases, he shall pass final orders, and may, at his discretion, either dismiss the petition, or, if the election be found invalid, either order a fresh election, or declare elected the candidate who obtained the next highest number of votes to the one disqualified.

In the event of a fresh election being ordered, it shall take place within such period not less than forty days and not exceeding two months, as the Collector may appoint, from the date of his own order or from the date of the receipt by him of the orders of Government.

37. Cases which involve an interpretation of the rules shall be submitted for the orders of Government.

38. If, after the expiry of the period mentioned in rule 34, there have been no objections raised under rule 35, or when, after inquiry under rule 35 such objections have been disposed of,

the name of any candidate duly elected shall be forwarded by the Collector of the District to the Government for publication in the *Fort St George Gazette* and until such publication the candidate shall not enter on his functions as Municipal Councillor. But if subsequent to the date of election, but prior to that of notification, an elected candidate has become subject to any disqualification, which, if it had existed at the time of his election, would have rendered him ineligible under these rules, the Governor in Council may pronounce him disqualified for appointment and may order a fresh election.

1. No candidate will be allowed to enter the examination room unless he wears a clean and decent dress, and, in all cases where good manners require it, a suitable covering for the head, nor will he be allowed to keep his shoes on unless they are shoes of English pattern, and socks and trousers are worn also.

No candidate suffering from any contagious disease will be admitted to the examination room.

2. No candidate will be allowed to quit the examination room on any day until the expiration of half an hour from the time fixed for the commencement of the examination, and candidates arriving after the expiration of that half hour will not be admitted.

3. No candidate will be allowed to re-enter the examination room during the hours of examination after once quitting it, nor to leave the room without finally giving up his answer papers.

4. Any candidate detected in speaking to, or in any way communicating with, any other candidate will be at once removed from the room and the circumstance reported to the Commissioner.

5. *Any candidate suspected of having had recourse to malpractice of any kind is liable to have his examination invalidated and also to be debarred from appearing again for any of the examinations under the control of the Commissioner for such term of years as the Commissioner may think fit, or, if the Commissioner is not satisfied for any reason whatever as to the trustworthiness of his results, he may be required to undergo a re-examination at some future date to be fixed by the Commissioner in any one or more of the subjects of the examination for which he appeared, his success or failure being determined on the results of such re-examination.*

6. *No candidate will, on any account, be allowed to take into the examination room, ink, slates, books ruled sheets, manuscripts or papers of any kind.* Any one detected in the violation of this rule or having recourse to any unfair practices will be removed from the room and the occurrence reported to the Commissioner. The use of mathematical instruments for drawing figures or ruling lines will, however, be allowed.

7. Candidates whose names are not in the printed list furnished to the Superintendents must submit a written declaration through the Superintendents, giving full particulars in regard to themselves including their address and furnish such evidence as may be possible of their having applied for admission to the examination at the proper time and paid the prescribed fees. The answer papers of such candidates will not be valued unless it is clear that the omission of their names is due to no fault of theirs.

8. Candidates choosing to change their place of examination without previous permission, or appearing at any centre other than the one at which they ought to have appeared according to the notice published in the Gazette, must not expect to have their papers valued or their results published. In all cases where permission has been granted, the memorandum or letter permitting the change should be produced for the satisfaction of the Superintendents.

9. A candidate having completed his paper will rise from his seat and remain standing until the Superintendent takes his answer papers. Any candidate wishing to ask any question of the Superintendent will pursue the same course, but will on no account leave his place.

10. Any answer paper sent up without the candidate's name and number affixed will not be valued.

11. Candidates will not be allowed to take any papers, except their question papers, out of the examination room.

12. Candidates are forbidden to tear up papers or to throw ink or papers on the floor. All "spoilt copies, etc.," should be left on the desk where the candidate has been writing.

With the sanction of His Excellency the Governor of Madras in Council, granted by Order in Council, dated the 26th day of October 1909 numbered 1448, Judicial, and by virtue of the powers conferred by the Act for establishing High Courts of Judicature in India, 24 and 25 Victoria, Chapter 104, and the Powers of Attorney Act, 1882, and all other powers hereunto enabling, it is hereby ordered that the tables of fees hereunder set forth shall be used and observed in the High Court of Judicature at Madras in all cases coming before the said court in the exercise of its ordinary original jurisdiction, as well of its civil jurisdiction, as of its admiralty and vice-admiralty, testamentary and intestate, and matrimonial jurisdiction, and also in the exercise of its jurisdiction as regards appeals from judgments, decrees, and orders, passed in the exercise of such jurisdiction as aforesaid.

Order I.—Preliminary.

1. These rules may be called the High Court Fees Rules, 1906, and shall come into force on the 1st day of December 1909 and shall apply to all proceedings thereafter to be instituted, so far as may be to all proceedings then pending.

2. The rules and tables of fees in Appendix I hereto mentioned, and all previous rules and tables, so far as they are inconsistent with these rules and tables, are hereby repealed but not so as to restore any Rule, Order, Table of Fees or Scale of allowances repealed by the Rules in the said Appendix mentioned.

3. In these rules, unless there is something repugnant in the subject or context,—

(1) "Brief" means necessary and proper observations for counsel, and the proofs of witness;

(2) "Folio" means 72 words, four figures being counted as one word;

(3) "Pleading" includes a plaint, written statement, petition, special case, memorandum of appeal, and memorandum of objections;

(4) "Testamentary" includes intestate;

5. The fees chargeable upon applications for probate and letters of administration shall not be levied in any case where the total net amount of the assets of the deceased does not exceed one thousand rupees: Provided that, if, on realisation, it is found that the assets exceed the said sum, the proper fees shall be paid.

If an application for leave to sue, defend, or appeal, *in forma pauperis* is granted, no fee shall be levied by the Registrar or the Sheriff, in respect of any proceeding by, or on behalf of, the pauper, except the fees chargeable upon the said application, and any proceedings incidental thereto.

6. The Accountant-General shall not, under item No. 43 of the said appendix charge any commission upon monies or securities paid or brought into court by the Official Trustee; and shall not charge any fee, except the said commission, when the total amount in court to the credit of a suit, or matter, does not exceed four hundred rupees, or in respect of payments made to suitors periodically.

7. If a summons or notice is issued to a member of a firm, on behalf of himself and his partners, or to an agent or manager of a firm, on behalf of the partners, only one fee shall be chargeable therefor.

12. If processes for the attachment and sale of property are lodged with the Sheriff at the same time, the fee for attachment only shall be charged.

Provided that, if the party appears in person, only the amount of court fees incurred by him shall be inserted.

17. If the costs of an interlocutory application or order are not paid within seven days from the date of the allocatur of the taxing officer, or when the same are ascertained without taxation, under the preceding rule, or otherwise, within seven days from the date of the order awarding the same, the party to whom costs are awarded may apply by summons in chambers, or on the hearing of any application by the party in default, that all or any proceedings in the suit or matter may be stayed, or set aside, or that any subsequent step taken by the party ordered to pay such costs may be set aside for irregularity, and the court thereupon may make such order as it thinks fit.

18. Unless the court otherwise orders, upon the first application for execution of a decree or order, and in respect of all costs and expenses thereof, the Registrar shall insert in the warrant a direction to the Sheriff to levy, in addition to the amount due under the decree or order, a sum according to the scale in Appendix III hereto. Provided that where execution is obtained otherwise than through the Sheriff, the costs thereof may be ordered to be taxed.

19. Unless the court otherwise orders costs of execution shall be allowed only in respect of the first application for execution.

20. In summary suits on negotiable instruments, unless otherwise ordered, the sums set out in Appendix III hereto shall be allowed as costs of the plaintiff, and shall include all out-fees, but not the costs of execution.

Within three months from the date of the issue of the decree or order awarding costs, the party claiming the same shall leave the bill, and the vouchers in support of any disbursements therein, with the taxing officer, and obtain an appointment for taxation. Provided that, if costs of an interlocutory application or hearing have been awarded, and have not been previously taxed or paid, they may be included in the bill for the whole case.

23. Notice of the appointment shall be served upon the party to be charged or his pleader three clear days before, and an affidavit of service thereof shall be filed on the day preceding the day so appointed; on which day, or on any other day to which the taxation is adjourned, the taxing officer shall, if service of the said notice has been proved, or the party to be charged appears or consents, proceed to tax the bill; and if the pleader presenting the bill does not attend at the taxation, the taxing officer may disallow the sum of Rs. 3-8-0, or other sum charged in the bill, for his costs of attendance.

24. Notice of taxation shall not be necessary in any case where the party to be charged has not appeared at the hearing of the case, in person, or by pleader, or guardian.

25. If, within the said period of three months, an appointment to tax is not applied for, or service of notice is not proved, the taxing officer shall return the bill.

26. If the bill is returned by the taxing officer, or if default has been made under rule 22 or 23, the taxing officer shall not receive or tax the bill, except under an order of the court, to be obtained upon summons in chambers, supported by affidavit.

27. The taxing officer may disallow the costs of any pleading or proceeding, or of any part thereof, which is improper, vexatious, or unnecessary, or contains vexatious or unnecessary matter, or is of unnecessary length, or is caused by misconduct or negligence.

28. Unless the court otherwise orders, no allowance shall be made for the costs of, or occasioned to any party by, the amendment of any pleading.

29. As between party and party, no costs shall be allowed which do not appear to the taxing officer to have been necessary and proper for the conduct of the case, or for defending the rights of the party, or which appear to the taxing officer to have been incurred through over-caution, negligence, or mistake, or merely at the desire of the party.

30. In respect of all fees and allowances which are in the discretion of the taxing officer, he shall take into consideration the other fees and allowances to the pleader or advocate, if any, in respect of the work to which the fee or allowance applies, the nature and importance of the suit, appeal, or matter, the amount involved, the interest of the parties, the fund or person to bear the costs, the general conduct and costs of the proceedings, and all other circumstances of the case.

31. Where it is made to appear to the taxing officer that a party is a *purdanashin* female, who by the custom of the country, or her caste, is not allowed to appear in public, and that an attendance upon or by her agent is not sufficient or proper, he may allow, as between party and party, the costs of the attendance of her pleader or of an officer of the court upon the said female.

32. Unless the court otherwise orders, the costs of obtaining or briefing notes of evidence, and a copy of the judgment of the court, shall not be allowed as between party and party except upon an appeal.

33. If, on a taxation of costs as between attorney and client one-sixth part of the amount of the bill is disallowed, the pleader presenting the bill shall pay all costs of preparing the bill, and of and incidental to the taxation thereof, and the same shall be deducted by the taxing officer.

34. If, in any case, it is necessary to employ a legal practitioner to act as agent beyond the local limits of the jurisdiction of the court, the taxing officer may allow the costs of the agent, and of instructing him. If the agent is employed in India, his costs shall be taxed according to the scales of fees prescribed by these rules; if he practises and is employed out of India, his costs shall be taxed according to the scale of fees in force at the place where he practises.

35. In any case in which a party entitled to receive costs is liable to pay costs to any other party the taxing officer may tax the costs the party is liable to pay, and may adjust the same by way of deduction or set-off, and issue his allocatur for the balance only, or may, if he thinks fit, delay the allowance of the costs the party is entitled to receive, until he has paid or tendered the costs he is liable to pay; or the taxing officer may tax, and issue his allocatur for the costs to be paid to the party.

Review of Taxation.

36. If so requested by any party attending the taxation, the taxing officer shall take a note of any objection made by the party to the allowance or disallowance of any item, or any part thereof, and of his decision thereon, and shall, on payment of the proper charges, give a copy of his note to any party to the case.

37. A party, who is dissatisfied with a decision of the taxing officer, may, within twenty days from the taxation, apply by summons in chambers to review the taxation, and the court may thereupon make such order as it thinks just. The summons shall, if objection is taken with respect to particular items, specify the same shortly; and shall, in any case, be accompanied by a copy of the notes of the taxing officer with reference to the objection made by the party. Notice of the application shall be given to all parties appearing on, or entitled to notice of, the taxation, other than the applicant.

38. If a party considers that the maximum fee allowed by these rules is insufficient, or that a fee ought to be allowed in respect of any matter not provided for by these rules, he may, upon the taxation of the bill, apply to the taxing officer to certify the amount which the officer is of

opinion ought to be allowed and may then apply for a review of the taxation, in manner hereinbefore prescribed. At the hearing of the application, the court may allow such fee, or may refer the bill to the taxing officer with such directions as it thinks fit, or may make such other order as it thinks just.

ORDER V.—ATTORNEYS' FEES.

39. Except as provided in rule 62 the fees set out in Appendix IV hereto shall be allowed to the attorneys of the High Court for the business done by them; and no fee shall be allowed by the taxing officer in respect of any matter not thereby provided for, or exceeding the amount thereby limited.

40. Unless otherwise ordered, the fees allowed shall be those set forth in the column headed "lower scale." On special grounds the court may, at the trial or hearing of a suit, matter, or appeal, or at the hearing of any application therein, order that the fees set forth in the column headed "higher scale" shall be allowed, either generally in the case, or as to the costs of any particular application made, or business done, therein.

61. If a proceeding, which the party is authorised to serve, is served at a distance exceeding twenty miles from the High Court, the same charges shall be allowed as upon a summons or notice served through the court; provided that, if it is made to appear to the taxing officer that service of the proceeding through the court was impracticable or not advisable, he may allow, besides the actual reasonable travelling expenses and the charges abovementioned, a fee not exceeding Re. 1 per diem, for the expenses of the serving-officer.

6. As soon as possible after the auction is completed, the deposits made by the unsuccessful bidders will be returned to them.

7. As the auction proceeds, each successful bidder shall, at once, if so required by the selling officer, or otherwise at the close of the day's sale, make a further deposit equal to one-fourth of the purchase-money. Should he fail to do so, the deposit made by him under condition 2 *supra* will be forfeited and the salt pan will be put up to auction again on the above conditions or otherwise disposed of as the Deputy Commissioner may determine, and the defaulter may be debarred from bidding again at any subsequent sale of salt pans by the Deputy Commissioner.

8. On receipt of the intimation of the final acceptance of the bid, the successful bidder shall at once pay the whole amount of his bid after deducting from it the amount of deposits already paid by him. Should he fail to do so, the deposits made by him under conditions 2 and 7 *supra* will be forfeited and the salt pans will be sold or otherwise disposed of as the Deputy Commissioner may determine.

9. Results effected under condition 8 will be at the risk of the defaulting bidder, who will forfeit all gain and, in the event of a loss, will be required to make good the deficiency between the amount payable under the terms of the original sale and that payable by the successful bidder at the re-sale. In the latter case, the forfeited deposits will be deducted from the loss arising from the re-sale and the remainder, if any, will be recoverable from the defaulter in the manner laid down in section 86 of the Madras Salt Act IV of 1889. Should, however, the forfeited deposits be greater than the loss by re-sale, the whole of such deposits will be credited to Government. The defaulting bidder will be similarly liable if the salt pans are disposed of otherwise than by re-sale and such disposal results in loss to Government as compared with the original sale.

10. The purchaser will be required to sign and deliver to the Commissioner a muchilika or engagement to observe all the conditions of the license to be granted to him. The prescribed form of muchilika and license can be secured at the office of the Inspector of the Ennore Circle.

11. License to manufacture salt under the monopoly system will be granted to the successful bidder after he has accepted a lease (the form of which may be seen in the Circle office). The term of such leases will be for five years and the license granted in each case will be in force only during the continuance of such lease. In the event of the lease being determined before the expiry of the period fixed in consequence of the pans being at any time resumed by Government or of the factory being converted into one for manufacture of salt for general sale, the purchaser will not be entitled to any compensation.

2. *Statement I—(Appointments made under sections* 6, 10 *and* 11 *of Act III of* 1895).—Out of 4,451 appointments, 1,348 were given to strangers, owing apparently to there being no competent men in the hereditary families. The corresponding figures for 1907–1908 were 4,011 and 994.

3. *Statement II—(Punishments inflicted under sections* 7, 8 *and* 9 *of Act III of* 1895).—There is on the whole a decrease in the total number of punishments inflicted during the year, increases under those inflicted by Divisional-officers, Collectors and Proprietors having been counterbalanced by a decrease under those inflicted by Tahsildars and Deputy Tahsildars.

4. *Statement III—(Suits filed under section* 13 *of Act III of* 1895).—The increase in pending suits at the close of the year is accounted for by the large number of suits instituted during the year under report.

5. *Statement IV—(Appeals to District Officers against fines under sections* 7 *and* 8 *of Act III of* 1895).—This calls for no remarks.

6. *Statement V—(Appeals to District Collectors against departmental orders of appointment and against suit decisions).*—No remarks are necessary.

9. *Statement VIII—(Proprietary Estates into which Act II of* 1894 *has been introduced and in which the establishments have been revised).*—This shows the progress made in revising village establishments in proprietary estates. The total number of estates in which revision was sanctioned up to the end of 1908–1909 was 1,796 against 1,658 for 1907–1908. No schemes were sanctioned in the districts specified in the margin, pending the completion of enfranchisement of village service inams in them.

SUPPLEMENT TO PART II

OF

THE FORT ST. GEORGE GAZETTE.

No. 49.] MADRAS, TUESDAY EVENING, DECEMBER 7 1909. [Price 2 as. 6 p.

SALT, ABKARI AND CUSTOMS DEPARTMENT.

NOTIFICATION.

No. 21.—With reference to the Opium Rules contained in Government Notification No. 466, dated 22nd October 1909, published on pages 1225 to 1227 of the *Fort St George Gazette*, dated 23rd November 1909, the Board of Revenue hereby prescribes and publishes under Rule XXIX the following subsidiary rules and forms in supersession of those contained in Notification No. 14, dated 10th August 1908:—

RULES.

1. No opium or poppy-heads shall be removed from a storehouse until application in writing has been made to the officer in charge and a pass for their removal has been obtained from him.

2. The issue price of opium and poppy-heads shall be paid before their removal from the storehouse at such rates as may be fixed and notified.

3. When opium and poppy-heads are issued from a Government storehouse, such issues shall be made in quantities of a half seer of opium and multiples thereof and of not less than 5 seers of poppy-heads.

4. A licensed vendor, chemist or druggist desiring to procure opium or poppy-heads from the storehouse must first pay the issue price at the prescribed rates into the Government treasury of the taluk in which his shop is situated or with the permission of the Collector into any other treasury in the district. He will present with the money a chalan in the prescribed form which may be obtained from the Treasury officer. The latter, after assuring himself that the applicant is a licensed vendor, chemist or druggist, will grant him a receipt and despatch by post a letter of advice to the officer in charge of the storehouse concerned, intimating the payment of the issue price.

5. The licensed vendor, chemist or druggist or his authorised agent will then apply for the issue of the opium or poppy-heads at the Government storehouse concerned and must produce the treasury receipt before the Storehouse officer. The latter will issue the opium or poppy-heads, as the case may be, to the applicant after comparing the treasury receipt with the letter of advice from the Treasury officer.

6. The consignment must be taken before the officer authorised to examine consignments by the Collector of the district to which it is transported, and no consignment of opium or poppy-heads received into a shop shall be opened before it has been verified by such officer.

7. Packing charges at the storehouse in respect of opium or poppy-heads issued otherwise than for Government purposes must be defrayed by buyers before removal. They should also make their own arrangements for the removal of the consignments from the storehouse.

8. No person except a licensed vendor, chemist or druggist or his accredited agent or servant shall be allowed access to a storehouse and every such person shall be liable to be searched on entering or leaving the storehouse, for the purpose of ascertaining if he has opium or poppy-heads secreted about him.

9. All cases, bundles and other articles in the possession of any person shall be liable to examination when being taken into or removed from the storehouse and no person entering a storehouse shall be permitted to take with him any article except such as may be required for the packing of the opium or poppy-heads to be purchased by him.

10. Any person found guilty of any breach of the Opium Act, 1878 or of any rule framed thereunder or otherwise committing any offence in respect of the storehouse or of the storehouse officials, or of any property contained in the storehouse may be excluded from the storehouse by order of the Storehouse officer

11. Stocks of opium or poppy-heads will be maintained at Taluk kacheris, wherever the Collector may so direct, for supply to shopkeepers or licensed chemists or druggists at prices to be fixed by the Board. In these cases, the price should be paid at the treasury at which the purchase is made and the consignment should be covered by a pass granted by the Tahsildar, or Deputy Tahsildar and in their absence by the Taluk Head Accountant or the Deputy Tahsildar's Head Gumastah.

12. When opium and poppy-heads are issued from a Taluk kacheri, such issues shall be made in quantities of a half seer of opium and multiples thereof or of not less than 5 seers of poppy-heads.
